SHERIFF'S DEPARTMENT

INVESTIGATIVE SUMMARY

INCIDENT:	**On-duty, non-hit shooting**
IAB FILE NUMBERS:	**SH 2443913**
URN#:	**017-20115-2174-055**
DATE/TIME:	**December 30, 2017 / 2305 hours**
LOCATION:	[redacted] **Compton Avenue, Los Angeles**

On December 30, 2017, an Internal Affairs Bureau (IAB) team comprised of Lieutenant Roberta C. Granek #[redacted] Sergeants [redacted] #[redacted] and Connie Delgado #[redacted] responded to the Command Post at "Plaza La Alameda" located at 2140 East Florence Avenue, in the city of Los Angeles, regarding an on-duty, non-hit shooting.

Lieutenant Granek checked to see Incident Commander, Lieutenant John L. Lindsay #[redacted] took reasonable steps to ensure the involved and witness personnel did not discuss the incident among themselves or with uninvolved persons prior to being interviewed by the assigned investigators, and that the involved and witness personnel did not collectively consult with their attorney or representative. In addition, Lieutenant Granek checked to see if the incident commander attempted to have involved and witness personnel gather in the company of a supervisor until they provided a statement to the assigned investigators.

SYNOPSIS

On December 30, 2017, at approximately 11:05 PM, Involved Employee Deputy Jason Guillen #[redacted] and Witness Deputy [redacted] #[redacted] were assigned to work patrol at Century Station as Unit [redacted] Deputy [redacted] (driver) and Deputy Guillen (passenger) conducted a traffic stop in front of "Tessie Cleveland Community Services Corporation" located at 8019 Compton Avenue. The deputies stopped a white Chevrolet sedan with California license plate [redacted] for expired registration, December of 2016. The patrol vehicle stopped along the west curb line just north of 81st Street and to the rear of the sedan.

The driver, Witness [redacted] stated his license was suspended and he was on probation. Witness [redacted] was placed in the back seat of the patrol vehicle, pending a probation compliance and suspended license

investigation. The passenger, Witness [redacted] was asked to sit in the back seat of the patrol vehicle and she complied. As Deputy [redacted] sat in the front passenger seat of the patrol vehicle to conduct a driver's license inquiry of Witness [redacted] Deputy Guillen stood on the northwest sidewalk of Compton Avenue and 81st Street, near the rear of Witness [redacted]s vehicle. Deputies [redacted] and Guillen heard approximately two gunshots. Deputy Guillen looked in the direction of where he heard the gunshots, a courtyard in an [redacted] complex, on the [redacted] of 81st Street and Compton Avenue. Deputy Guillen saw a male, Hispanic, adult wearing a gray hooded sweatshirt, long dark shorts and white sole shoes standing behind a black wrought iron fence that encased the [redacted] complexes, approximately 120 feet away. Deputy Guillen saw the male Hispanic holding a pistol. Deputy Guillen saw a muzzle flash and simultaneously heard one more gunshot, which he believed was being fired in his direction.

IAB Note: There are [redacted] complexes at this location, [redacted] Compton Avenue and [redacted], which share a common courtyard in between the [redacted] buildings.

Fearing for his safety, and that of Deputy [redacted] and the witnesses, Deputy Guillen returned fire toward the suspect. He fired one round from his Smith & Wesson, M&P, handgun. The suspect ran eastbound in the [redacted] complex while Deputy Guillen took cover behind Witness [redacted] vehicle.

Deputy [redacted] joined Deputy Guillen behind the vehicle, broadcast emergency radio traffic of a deputy-involved shooting over the duplex patch and coordinated the responding units. The deputies and witnesses were not injured during the incident. Witnesses [redacted] and [redacted] were transported to the command post. Additional personnel arrived and established a containment of the scene. During the containment set up, three individuals were detained as the possible suspects. After the containment was set up, three field show-ups were conducted with Deputy Guillen. [redacted] was identified as the suspect by Deputy Guillen due to the clothing descriptors (hat, grey hooded sweatshirt, shorts and white shoe soles) and physical description (height and build). Mr. [redacted] was arrested and booked at Century Regional Detention Facility.

Scientific Services Bureau Supervising Forensic Identification Specialist II, Teresa C. Romo #[redacted] took possession of Deputy Guillen's duty weapon. A round count was conducted by Sergeants [redacted] and Delgado at Century Station. The Smith & Wesson, M&P handgun, was found to contain seventeen live rounds. Deputy Guillen stated he loaded his weapon with seventeen rounds in the magazine and one in the chamber.

Deputy Guillen's round hit the stucco on the stairwell of [redacted], without penetrating it completely. A bullet fragment was recovered on the ground, in the center of the courtyard, at [redacted] and [redacted]. A

shell casing was recovered on the ground, in the grass area of [redacted], in close proximity of where Deputy Guillen stood at the time of the shooting. No rounds or impact sites were found on the northwest corner of the intersection. No weapon was recovered.

All reports **[Exhibit A]** were submitted with this case.

REVIEW OF VIDEO:

On December 30, 2017, the surveillance video **[Exhibit F]** from [redacted] located at [redacted] depicted the entire traffic stop and deputy-involved shooting incident. The following is a chronological time line of the surveillance video.

At 10:59 PM, Deputies [redacted] and Guillen conducted a traffic stop on Compton Avenue, north of 81st Street and in front of 8019 Compton Avenue. The driver, (Witness [redacted] and the passenger (Witness [redacted] were escorted to the back seat of the patrol vehicle. Deputy [redacted] entered the front passenger side of the patrol vehicle. The truck entered the intersection and simultaneously Deputy Guillen was seen ducking his head. Deputy Guillen immediately took several side steps to the north, drew his firearm and took a ready position stance facing east. Deputy [redacted] exited the passenger side of the patrol vehicle and joined Deputy Guillen behind the trunk of Witness [redacted]s vehicle. At 11:05 PM a homeless person who was slept in front of the door of 8019 Compton Avenue lifted his head up from underneath a sleeping bag, looked toward the deputies and placed his head back inside the sleeping bag. STATEMENTS

The following narratives are intended only as a synopsis of the interviews. Additional information and precise wording may be obtained by reviewing the digitally audio recorded interviews and verbatim transcriptions.

INVOLVED EMPLOYEE DEPUTY JASON GUILLEN

OSS Interview:

On December 31, 2017, Deputy Jason Guillen was interviewed by OSS Detectives Machuca and Guillen. Also present was Bill Hadden from the law office of Rains Lucia Stern St. Phalle & Silver, PC. The interview was transcribed and added to this case. The statements are similar to those of his statements in his IAB interview.

IAB Interview:

On January 18, 2018, Deputy Guillen was interviewed by Internal Affairs Bureau Sergeants Connie Delgado and [redacted]

On December 31, 2017, Deputies Guillen and [redacted] were assigned to Century Station patrol as [redacted] on [redacted] shift. The two deputies conducted a traffic stop of a vehicle with expired registration in an area where "76th East Coast Crips" resided. The driver of the vehicle was on probation and was placed in the back seat of the patrol vehicle by Deputy [redacted] The passenger of the vehicle agreed to sit in the back seat of the patrol vehicle. Deputy Guillen stood on the northwest corner of 81st Street and Compton Avenue for officer safety. He noticed pedestrian traffic was light. He also noticed a homeless person sleeping to the north of where he was standing. Deputy Guillen heard what he recognized to be a gunshot and took a fighting stance in a "ready position." He heard a second gunshot immediately after and quickly took out his firearm.

As Deputy Guillen stood and faced a southeasterly direction, he observed the suspect. The suspect was behind a fence, inside of a courtyard, within an [redacted] complex. The [redacted] complex was illuminated by the street lights which provided Deputy Guillen a view of the suspect. Deputy Guillen described the suspect as male of dark complexion, medium build, between 180 to 220 pounds, wearing a gray sweatshirt and hat, with a pistol in his possession. The suspect walked backward and pointed the firearm in Deputy Guillen's direction. Deputy Guillen saw a muzzle flash coming from the suspect's firearm and heard a third gunshot. Deputy Guillen realized he was still alive and unharmed. Believing Deputy [redacted] and the occupants inside of the patrol vehicle were possibly hit, Deputy Guillen feared for all of their lives. Deputy Guillen fired one round at the suspect to stop the threat at a distance of 130 feet away.

Deputy Guillen lost sight of the suspect when the suspect ran to the rear of the complex and out of sight. Deputy Guillen took into consideration the backdrop was an [redacted] complex with individuals inside. Deputy Guillen did not fire more rounds because he no longer perceived the suspect to be a threat. Time did not permit him nor Deputy [redacted] an opportunity to give verbal commands. Deputy Guillen was unable to determine if the suspect was shot **[Guillen Transcripts, pages 8 - 11, 16 - 21]**.

Deputy Guillen communicated with Deputy [redacted] shots were fired and from what location they were fired from. Both deputies found cover behind the vehicle they conducted a traffic stop on. Deputy [redacted] physically checked Deputy Guillen for injuries and then broadcasted emergent traffic regarding the deputy-involved shooting. He requested SEB, assistance from CHP and the fire department. The first unit responded within seconds and upon Sergeant Foster's arrival, Deputy Guillen told him what happened **[Guillen Transcripts, pages 22 - 24]**.

Deputy Guillen, along with other deputy personnel, asked the homeless person if he was okay. The homeless person told Deputy Guillen he did not know what happened and said he was not injured. Deputy Guillen responded to Nadeau Street and Compton Avenue where CHP detained a male Hispanic wearing a

grey hoodie and hat, with white sole shoes, riding a bicycle. Deputy Guillen initially stated he could not positively identify the individual as the suspect. There were similarities between the suspect and this individual with the gray hooded sweatshirt and hat, height, and white sole shoes. All factors were consistent with the suspect, therefore Deputy Guillen identified this individual as the suspect. A gunshot residue kit was performed on this individual and he was subsequently arrested and booked at Century Regional Detention Facility **[Guillen Transcripts, pages 26 - 27]**.

IAB Note: **Deputy Guillen participated in two additional field show-ups of two male, Hispanic, adults detained simultaneously, both wearing a black shirt, black pants, and black tennis shoes. Neither of these individuals were identified as the suspect [OSS Transcripts, page 8].**

WITNESS DEPUTY [redacted]

On December 31, 2017, Deputies Guillen and [redacted] were assigned to Century Station patrol as [redacted] on pm shift. Deputy [redacted] drove the patrol vehicle southbound on Compton Avenue from Nadeau Street, an area in which the gangs "Florence 13" and 'East Coast Crips 76" occupied. Deputies [redacted] and Guillen conducted a traffic stop just north of 81st Street, on a vehicle with expired registration. The driver of the vehicle stated he was on county probation and without a current driver's license. Deputies [redacted] and Guillen detained the driver and passenger of the vehicle, pending a probation compliance check and driver's license check of the driver. Deputy [redacted] sat on the passenger side of the patrol vehicle with the door open. Deputy Guillen stood in front and south of the patrol vehicle, on the northwest corner, on the sidewalk facing east, providing cover and safety for Deputy [redacted] and the witnesses who were in the back seat of the patrol vehicle **[[redacted] Transcripts, page 5]**.

One to two minutes later, Deputy [redacted] heard three to four gunshots in close proximity. Deputy [redacted] looked to his right (west) because he remembered a homeless person sleeping there when he conducted the traffic stop. The homeless person was covered up and appeared unharmed. Deputy [redacted] turned his attention toward Deputy Guillen who had already deployed his firearm. Deputy [redacted] observed him fire one round in an easterly direction. Deputy [redacted] stated Deputy Guillen's gunshot might have been in conjunction with the three to four gunshots he heard. Deputy [redacted] exited his patrol vehicle and deployed his firearm. He ran toward Deputy Guillen, who found cover behind the vehicle they had conducted a traffic stop on. Deputy Guillen advised Deputy [redacted] shots were fired. Deputy Guillen notified him, he saw a male shooting at them from an [redacted] complex to their east with an address of [redacted] Compton Avenue. Deputy [redacted] approximated the distance to be 50 yards from where they were standing. Deputy [redacted] did not observe anyone shooting at them **[[redacted] Transcripts, pages 5, 8, 10]**.

Deputy [redacted] broadcast emergent radio traffic on the patch regarding their traffic stop, unit identification, location, deputy-involved shooting with a suspect unrelated to the traffic stop, description of the suspect, and areas to check for the suspect. Deputies [redacted] and Guillen remained behind cover pending the arrival of other units. The field sergeant responded, at which time Deputy [redacted] informed him, Deputy Guillen fired one round toward the [redacted] complex where the suspect was last seen. Deputy [redacted] stated at one point during the response time, he observed a male wearing a gray sweatshirt behind the [redacted] complex. Deputy [redacted] then lost sight of him. Deputies Guillen and [redacted] were transported to the command post and afterward to Century Station.

Deputy [redacted] described the backdrop as [redacted] complexes, with a courtyard between them, fenced in by a wrought iron fence. Deputy [redacted] was not able to provide any verbal commands and was unsure if the gunshots fired impacted anything or anyone **[[redacted] Transcripts, pages 6, 8 - 9]**.

Deputy [redacted] estimated the first unit responded within 30 seconds. A containment was set up with this first unit containing 82nd Street and Compton Avenue. He broadcast a more detailed description of the suspect. Deputy [redacted] did not have contact with the homeless person, but observed he was woken up and escorted out. Deputy [redacted] did not have further contact with the occupants of the vehicle he conducted a traffic stop on. He was aware a field show-up was conducted out in the field and an individual was subsequently arrested **[[redacted] Transcripts, pages 11 - 13]**.

IAB Note: **During Deputy [redacted]'s interview with OSS, Deputy [redacted] stated he communicated with his assisting partners regarding the two occupants in the patrol vehicle, at which time, the responding sergeant**

arranged for them to be secured at the command post [OSS Transcripts, page 3].

WITNESS [redacted]

OSS Interview:

On December 31, 2017 Witness [redacted] was interviewed by OSS Detectives Machuca and Guillen. The interview was transcribed and included with this case. Following is a summary of that interview.

Witness [redacted] and his [redacted]s [redacted] Witness [redacted], were in the Los Angeles area because they provided transportation for Witness [redacted] to the hospital. The deputies conducted a traffic stop and searched their vehicle. The deputies were about to release them from the back seat of the patrol vehicle when he heard three to five gunshots fired. Witness [redacted] did not know where the gunshots were fired from, but was aware someone shot at the deputy standing on the sidewalk. Witness [redacted] observed the deputy on the sidewalk return fire. Witness [redacted] thought it was a drive-by shooting. Witness [redacted] heard everyone saying the gunshots fired came from [redacted] **[OSS Transcripts, pages 3 - 5]**.

Witness [redacted] stated he was unfamiliar with the area because he grew up in South Central. Witness [redacted] stated the shooting did not involve him nor was he the cause. He understood the area was a "Florence" gang area, but he did not have problems with the gang. Witness [redacted] stated the vehicle he drove belonged to Witness [redacted] who recently purchased it and she had the appropriate paperwork **[OSS Transcripts, pages 5 - 7]**.

IAB investigators were not able to contact Witness [redacted] via the telephone number provided. They responded to the address Witness [redacted] provided and numerous other addresses on record, in an attempt to schedule an interview. Witness [redacted] has not contacted IAB investigators. Witness [redacted] was "released" prior to being interviewed by IAB investigators.

WITNESS [redacted]

OSS Interview:

On December 31, 2017 Witness [redacted] was interviewed by OSS Detectives Machuca and Guillen. The interview was transcribed and included in this case. Following is a summary of that interview:

The deputies conducted a traffic stop of Witness [redacted] vehicle for expired registration. The deputies took her and Witness [redacted] out of her vehicle at the same time and escorted them to the back seat of the patrol vehicle. One

deputy searched her vehicle, ensured there were no weapons inside of it and secured it. Witness [redacted] provided Deputy [redacted], who was inside of the patrol vehicle, with her personal information. Witness [redacted] heard four gunshots coming from the [redacted] building across the street. She turned and observed a "light like when a gun shoots" coming from a black figure dressed in black clothing from within the enclosed fence of the [redacted] complex across the street. Witness [redacted] described the weather as "not foggy," dark outside but still clear enough to see across the street.

Witness [redacted] believed the gunshots were directed at Deputy Guillen because he had turned his back for a quick second, prior to the suspect shooting at him. The deputy standing outside drew his firearm, but Witness [redacted] was unsure if he returned fire at the suspect. The deputy inside of the patrol vehicle ran out, called for back- up and said, "Shots fired, shots fired." Witness [redacted] was scared because she had not been involved in a shooting, was defenseless inside of a patrol vehicle and could have been shot **[OSS Transcripts, pages 2 - 6, 8]**.

Witness [redacted] explained the reason she was in the area was because after she dropped her [redacted] off at the [redacted] in the city of Hollywood, she washed clothes at a [redacted] nearby. Witness [redacted] had a feeling the person who shot was under the influence of drugs and did not like the deputies conducting a traffic stop on the block. As soon as she and Witness [redacted] were "arrested," the person shot directly at the deputy. Witness [redacted] described it as a "hate crime" **[OSS Transcripts, pages 7 - 9]**.

IAB investigators were not able to contact Witness [redacted] via the telephone number provided. They responded to the address Witness [redacted] provided and numerous other addresses on record, in an attempt to schedule an interview. Witness [redacted] has not contacted IAB investigators. Witness [redacted] was "released" prior to being interviewed by IAB investigators.

SERGEANT CURTIS FOSTER

IAB Interview:

On February 12, 2018, Sergeant Curtis Foster #[redacted] was interviewed by Internal Affairs Bureau Sergeants Connie Delgado and [redacted].

On December 31, 2017, Sergeant Foster was the field sergeant, Unit 216S. Sergeant Foster heard emergent radio traffic of a deputy-involved shooting, ambush style, at Compton Avenue and 81st Street. He responded Code-3 to the deputy-involved shooting and his response time was approximately three to four minutes. At the location of the incident, Sergeant Foster observed a patrol vehicle positioned behind another vehicle facing southbound on Compton Avenue, as if a traffic stop had been conducted. Deputies Guillen and [redacted]

found cover behind the vehicle they had conducted a traffic stop on, and they faced east toward an [redacted] complex located at [redacted] Compton Avenue.

Sergeant Foster ensured the deputies, as well as the detainees on the traffic stop, were unharmed. Deputy Guillen advised Sergeant Foster they had conducted a traffic stop. While he provided security for Deputy [redacted] and Witnesses [redacted] and [redacted] he heard three to four gunshots from an [redacted] complex. Deputy Guillen stated there was one suspect and described him as a male, Hispanic, adult wearing a gray sweatshirt, dark pants, and specifically, white on the shoes. Deputy Guillen saw a muzzle flash from the suspect's firearm and fired one round at the suspect. He was unsure if he had hit the suspect prior to the suspect fleeing eastbound into the complex and out of view **[Foster Transcripts, pages 2 - 5]**.

Sergeant Foster gathered intel, confirmed deputies had cover, ensured an inner and outer containment was established and formulated an arrest team with less lethal options. He created a plan of action in case the suspect reappeared, considered crossfire, ensured good tactical decisions were made, assisted with requesting and approving resources. Sergeant Foster assisted Sergeant Jessie Polanco #[redacted] with establishing a command post, and directed the removal of Deputies Guillen and [redacted] from the scene **[Foster Transcripts, pages 6 - 7]**.

After SEB cleared the location, Sergeant Foster entered the unlocked [redacted] complex with his contact team. He observed a fresh piece of stucco removed from the top of a stairwell case at [redacted] Sergeant Foster located debris on top of a vehicle, parked next to the bullet strike that was consistent with the material from the stucco, and a bullet fragment that landed north of the vehicle. He also observed a bullet casing on the west sidewalk or grass area, north of 81st Street which he believed to be from where Deputy Guillen fired his firearm.

Sergeant Foster established a crime scene and commanded deputy personnel to secure the evidence. Sergeant Foster directed deputy personnel to canvass the area for possible witnesses and communicated with Sergeant Troy Rodriquez #[redacted] Unit 212S, to transport Deputies Guillen and [redacted] to the station. Sergeant Foster was aware multiple units detained individuals matching the suspect description and held them for field show-ups. CHP detained an individual who a gunshot residue kit was requested for. Sergeant Foster was later advised this individual had been arrested **[Foster Transcripts, pages 8 - 11, 13]**.

Sergeant Foster checked on the welfare of the homeless person who slept approximately 30 feet from where Deputy Guillen fired his firearm. Sergeant Foster coordinated with the command post to transport the homeless person, Witness [redacted] and Witness [redacted] to the command post to guarantee their safety after gaining their verbal consent. Sergeant Foster did not obtain their

personal information. Deputy personnel canvassed the area for other bullet strikes and/or evidence of the suspect's gunshots, however none were found. Sergeant Foster provided a debriefing after there was no longer a perceived threat of the suspect **[Foster Transcripts, pages 10 - 14]**.

<u>SERGEANT JESSE POLANCO</u>

IAB Interview:

On February 13, 2018, Sergeant Jesse Polanco was interviewed by Internal Affairs Bureau Sergeants Connie Delgado and [redacted].

On December 31, 2017, Sergeant Polanco was the field sergeant, Unit 214S. Sergeant Polanco was informed deputy personnel were involved in a shooting through emergent radio traffic. The deputy involved indicated it occurred on Compton Avenue just south of Nadeau and requested a sergeant, K-9, airship and assistance with a containment. Sergeant Polanco responded to the location of the incident and observed Sergeant Foster was already on scene, along with deputy personnel who had contained an [redacted] complex, located on the [redacted] corner. Sergeant Polanco was at the location for approximately two minutes prior to setting up a command post at 74th Street and Alameda Avenue. At the command post, Sergeant Polanco directed deputy personnel to provide the necessary resources for the evolving incident. Sergeant Polanco was aware two witnesses were at the command post and directed deputies to have the witnesses sign a witness transportation form. Sergeant Polanco did not make contact with the witnesses nor the involved deputy personnel. After the command post was broken down, Sergeant Polanco stopped by the location of the incident and observed the crime lab had responded. Sergeant Polanco did not make any other observations **[Polanco Transcripts, pages 2 - 8]**.

<u>WITNESS DEPUTY ANDREW LYONS</u>

IAB Interview:

On May 17, 2018 Deputy Andrew Lyons was interviewed by Internal Affairs Bureau Sergeants Connie Delgado and [redacted].

Deputy Lyons was assigned to the city of Lynwood, as Unit 212F, when he heard via the radio a deputy had been involved in a shooting. He responded to Compton Avenue and 82nd Street where he observed Deputies Guillen and [redacted] had taken cover behind a vehicle, just west of an [redacted] complex where it appeared there was a threat. Deputy Lyons took cover behind another patrol vehicle, several car lengths away and north of the deputies, on Compton Avenue. He instructed his ride-along, [redacted] to remain in the patrol vehicle. Deputy Lyons transported two civilians, one male and female (Witnesses

[redacted] and [redacted], from the location of the incident to the command post on 74th and Alameda Avenue.

Deputy Lyons returned to the location of the incident and transported a third civilian, "transient," to the command post. Deputy Lyons explained to the civilians his intention to transport them out of the danger zone, at which time, they implied consent by "coming along." Deputy Lyons did not have them sign witness transportation forms due to the "fluidity of the situation" and not being "Code-4." The civilians did not make any statements nor disclose any information regarding the incident, while they were in the patrol vehicle. Deputy Lyons assisted in canvassing the immediate area of the northeast corner on Compton Avenue for evidence of a shooting, but did not locate any. Deputy Lyons transported Deputy Guillen to Nadeau Avenue and Compton Avenue where they met CHP for a field show-up. Deputy Lyons returned to the command post where he was instructed to handle calls for service **[Lyons Transcripts, pages 2 - 14]**.

Internal Affairs Bureau investigators interviewed the following witnesses. For complete statements made, more information, and precise wording, refer to included transcripts.

WITNESS CHP OFFICER [redacted]

IAB Interview:

On February 23, 2018, Witness CHP Officer [redacted] # [redacted] was interviewed by Internal Affairs Bureau Sergeants Connie Delgado and [redacted] CHP Sergeant [redacted] # [redacted] was also present during the interview.

Witness [redacted] and his partner, Witness CHP Officer [redacted] # [redacted], heard CHP dispatch request assistance for an officer-involved shooting that occurred on Compton Avenue, south of Nadeau Avenue. The suspect description provided was a male Hispanic adult wearing a gray hooded sweater. Witnesses [redacted] and [redacted] responded to Compton Avenue and Nadeau Avenue where they were instructed by deputy personnel to hold the intersection containing crime scene tape [redacted] **Transcripts, pages 2 - 4]**.

CHP Investigative Services Unit (ISU) responded and assisted deputy personnel with the detention of a possible suspect. While holding the intersection, Witnesses [redacted] and [redacted] observed an individual in the middle of the street, east of their location and told him to "get out of the road." As the individual began to leave, ISU instructed Witnesses [redacted] and [redacted] to detain him, as he matched the suspect description. The individual quickly took off on his bicycle northbound on Compton Avenue "with a purpose." Witnesses [redacted] and [redacted] drove after the individual, caught up to him and detained him. The

individual made statements, "It's not me man. Man, I didn't do anything." Deputy personnel responded to the location and proceeded to conduct a field show-up and administered a gunshot residue kit (GSR) on the individual. The deputies left the scene to participate in other field show-ups. Deputy personnel returned and took the suspect away. Witnesses [redacted] and [redacted] continued to conduct traffic control until relieved **[[redacted] Transcripts, pages 4 - 7]**.

WITNESS CHP OFFICER [redacted]

IAB Interview:

On February 23, 2018, Witness CHP Officer [redacted] was interviewed by Internal Affairs Bureau Sergeants Connie Delgado and [redacted] CHP Sergeant [redacted] was also present during the interview.

Witnesses [redacted] and [redacted] were working as a two man unit. They heard CHP dispatch advise them Century Station had been in an officer-involved shooting. At the request of Century Special Assignment Officer (SAO), they responded to Compton Avenue and Nadeau Avenue for traffic control. He said the deputy seemed to be "pretty sure" the detainee was the suspect. The gang unit showed up and performed a GSR swab on the detainee, left the location and then returned to pick up the detainee. Witnesses [redacted] and [redacted] detained the individual for approximately two hours **[[redacted] Transcripts, pages 2 - 5]**.

> **IAB Note:** **The GSR conducted on Mr. [redacted] was not processed at the Crime Lab due to OSS Detectives Machuca and Guillen's determination Mr. [redacted] was not the suspect.**
